

What’s eligible for the Small Group Summer Sizzle Bonus

- All new groups with 50 or fewer enrolled employees/subscribers
- Includes June 1st through August 1st effective dates
- New PPO and PPO Plus Premier fully insured business only

Calculating the new sales broker Summer Sizzle Bonus

In addition to standard commissions, brokers will receive a spot bonus for enrolled subscribers based on these four levels:

2-9 dental-only subscribers		\$20/subscriber
2-9 dental and vision subscribers		\$35/subscriber
10-50 dental-only subscribers		\$30/subscriber
10-50 dental and vision subscribers		\$45/subscriber

Bonuses have increased this year for policies with dental and vision subscribers.

Example

- A broker sells a policy with six enrolled in dental. Based on the above table, they will earn \$120 (6 x \$20).
- A broker sells a policy with 15 enrolled in dental and five enrolled in vision. Based on the above table, they will earn \$675 (15 x \$45).

Additional details

- This Summer Sizzle Bonus program is driven by dental policies sold and will not be paid on vision-only sales.
- This program is for brokers only (not General Agents).
- New sales for shelf and underwritten Delta Dental PPO™ or Delta Dental PPO Plus Premier™ type plans in NJ or CT for groups of 50 and under enrolled employees/subscribers are eligible.
- Participation requirements and Underwriting approval may apply.
- Summer Sizzle Bonus will be calculated and paid in one sum at the end of the three-month bonus period.
- After final accounting and Summer Sizzle Bonus payment, the books are closed on our Summer Sizzle Bonus program. Please review your report detail for accuracy, as no changes will be made once checks are distributed.
- Summer Sizzle Bonus is only paid on new in-force business. If a new case is terminated before the close of the bonus calculations, it is not eligible. Groups that terminate within six months of the original effective date may be subject to a Summer Sizzle Bonus chargeback.
- Summer Sizzle Bonus payment is based on the number of subscribers enrolled at the end of the bonus program, not on the number of subscribers enrolled on the original effective date of the group.
- Broker must be in good standing on December 31 to be eligible for payment of earned bonuses.
- We may terminate this program at any time. Our determination of coverage and bonus level is final.
