## What's Included With Essential Medical Eye Care?

- Exams and services to treat immediate issues like pink eye and sudden changes in vision.
- Treatment options to monitor ongoing health conditions such as dry eye, diabetic eye disease, glaucoma, and more.

## If You Need Treatment

1. Contact your VSP network doctor to schedule an appointment.
2. If you don't have an eye doctor, visit **DeltaDentalNJ.com/DeltaVision** to find one and receive the eye care you need from an eye care expert.
3. When your VSP network doctor participates in your medical insurance plan's network, your medical insurance will be billed.
